

Name Change at AIRON HVAC and Control Ltd.

We are excited to announce as of October 1st, 2023 **Airon HVAC and Control Ltd.** has assumed the name **BGIS Integrated Technical Services Canada Ltd.**

As of December 4th, 2023, BGIS Integrated Service Canada Ltd. will fully integrate into the BGIS framework, aligning our IT and Business management platforms for a more seamless customer experience.

We have always been committed to providing top-notch HVAC, Boiler and controls services and solutions to our clients. Over the years, we have strived to exceed expectations by delivering high-quality, reliable, and energy-efficient systems tailored to your unique needs. Our dedication to excellence has earned us a strong reputation in the industry and a loyal client base.

The team has not changed and will continue to provide you the best service experience. The phone number remains the same and our email address will change to the @bgis.com domain. This integration into the BGIS business will provide:

1. **Enhanced Service Offerings:** We will be able to offer an expanded range of services
2. **Access to Cutting-Edge Technology:** This will enable us to improve system efficiency and enhance our overall performance
3. **Streamlined Operations:** Will streamline project management, improve communications and enhance the overall customer experience, ensuring a seamless and efficient process from start to finish

If you have any questions or would like to discuss how this integration will specifically impact your projects and services, please do not hesitate to contact us directly. We are here to ensure a smooth transition and to continue delivering the high-quality HVAC and controls solutions you rely on.

Thank you for your continued trust in BGIS Integrated Technical Services. We look forward to the opportunities and challenges that lie ahead as we embark on this exciting journey together.

Warm regards,
